Since 1992

20 YEARS RIDING TOGETHER

SHAD is celebrating 20 years, as a brand of reference for motorcycles accessories. Since its beginning in 1992, our purpose has been offering products with high quality standards, designed and developed in Barcelona, which are distributed in more than 60 countries.

Commitment which demands a big effort and dedication but which has made possible reaching the current success. Nowadays we are leaders in load accessories for motorcycles and we face future betting on innovation, technology and customer service.

20 AÑOS VIAJANDO JUNTOS

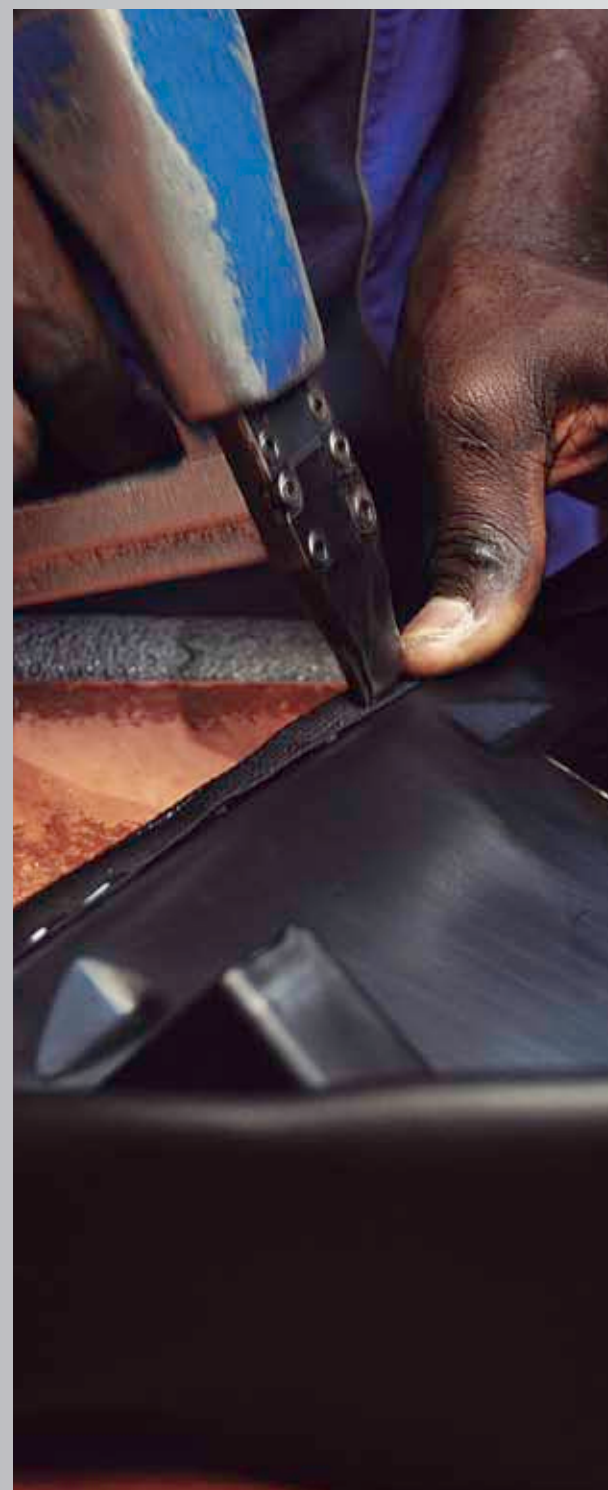

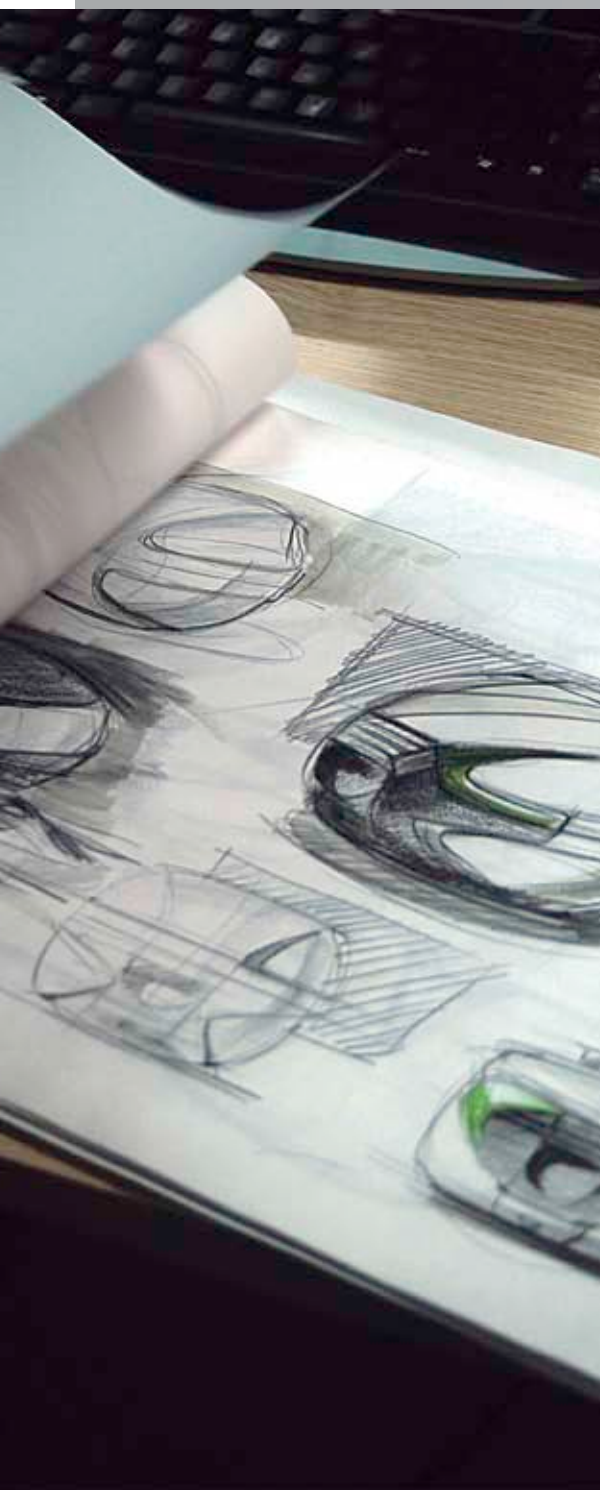

SHAD está de aniversario, celebramos 20 años como marca de referencia en accesorios para moto. Desde sus inicios, nuestro objetivo ha sido ofrecer productos de alta calidad, diseñados y desarrollados en Barcelona, que actualmente se distribuyen en más de 60 países.

Compromiso que requiere gran esfuerzo y dedicación pero que nos ha permitido llegar al éxito actual. Hoy somos líderes en accesorios de carga para moto y afrontamos el futuro con una apuesta clara por la innovación, la tecnología y el servicio al cliente.

20 ANS ROULANT ENSEMBLE

SHAD commémore son anniversaire, nous célébrons 20 ans comme une marque leader dans les accessoires de moto. Depuis sa création, notre objectif a été d'offrir des produits de haute qualité, conçus et développés à Barcelone, qui sont distribués dans plus de 60 pays.

Engagement qui exige un grand effort et attention mais qui nous a permis d'arriver au succès actuel. À ce jour, nous sommes leaders en accessoires de charge pour la moto et affrontons l'avenir en misant sur l'innovation, la technologie et le service au client.

SHAD

BRAND OF REFERENCE ↓

SHAD was founded in Barcelona in 1992 as a trade mark to manufacture and distribute cases for motorcycles. From its beginnings, SHAD has pledged for quality, excellent features and innovating aesthetics, which has made possible to become the leader company in its market in several countries and to distribute around the world.

SHAD is committed to offer a top quality product, fruit of constant innovation, the latest technology as well as the professionalism and involvement of its entire workforce. From our headquarters in Barcelona, we assume the responsibility of developing effective and functional solutions to help customers, without neglecting research and application of new technologies.

MARCA DE REFERENCIA ↓

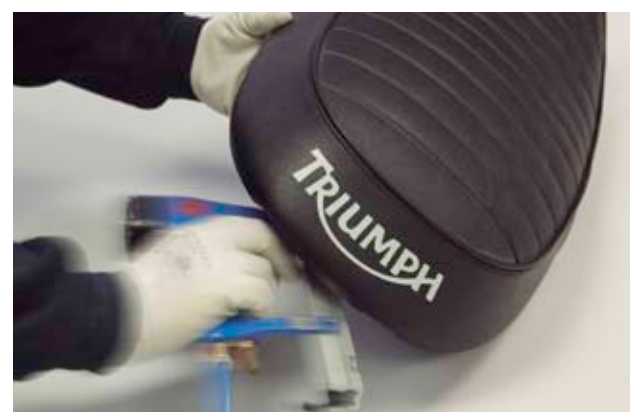

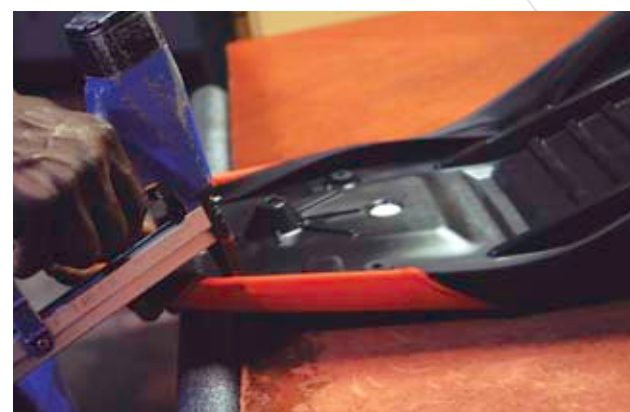

SHAD nace en Barcelona el año 1992 como marca dedicada a la fabricación y distribución de maletas para motocicletas. Desde sus inicios, SHAD ha apostado por la calidad, altas prestaciones y estéticas innovadoras, lo que nos ha permitido convertirnos en líder de mercado en varios países y tener distribuidores por todo el mundo.

El compromiso de SHAD es ofrecer un producto de alta calidad, fruto de la mejora constante, la última tecnología y la profesionalidad e implicación de todos sus trabajadores. Desde nuestra sede en Barcelona, asumimos la responsabilidad de desarrollar soluciones eficaces y funcionales para los clientes sin dejar de lado la innovación y la aplicación de nuevas tecnologías.

MARQUE DE RÉFÉRENCE ↓

SHAD est née à Barcelone en 1992 en tant que marque consacrée à la fabrication et à la distribution de valises pour motos. Depuis son début, SHAD a parié sur la qualité, hautes prestations et une esthétique innovante, qui nous a permis de devenir leader du marché et de disposer de distributeurs autour du monde.

L'engagement de SHAD est d'offrir un produit d'haute qualité, fruit de l'innovation constante, la dernière technologie et du professionnalisme ainsi que l'implication de tous ses travailleurs. De notre siège à Barcelone, nous assumons la responsabilité de développer solutions finales et fonctionnelles pour les clients sans oublier l'innovation et l'application de nouvelles technologies.

NAD S.L.

COMPANY PROFILE

The brand SHAD belongs to NADSL, a company founded over 40 years ago, the main activity of which is the development and manufacture of OEM seats and OEM motor cases. The company is European leader in manufacturing seats for the main motorcycles manufacturers. All these OEM products are always developed exclusively for each brand according to the requirements of each project.

NADSL currently equips seats and motor cases for the main European motorcycle production centres. The design, development, production and storage of our entire OEM equipment are carried out at our central production facilities in Barcelona. We supply and equip OEM seats/motor cases for the following brands of motorcycles:

QUALITY

CALIDAD / QUALITÉ

SHAD

THE QUALITY DEPARTMENT holds a key role in controlling and supervising the different production lines. The entire range of SHAD products are subject to an enormous variety of tests to ensure the fulfilment of the strictest standards. Resistance which has been verified in test benches, indoor and outdoor, as for example the vibration test, the only machine in Europe for vibration tests, which verifies the resistance for SHAD motor cases mounted on a motorbike, thanks to real simulation on different areas.

The excellent technological levels obtained in the development and manufacturing of its products have enabled NADSL to obtain the most prestigious quality standards, among which include the ISO 9002 which ensures quality management.

EL DEPARTAMENTO DE CALIDAD ostenta un papel clave en el control y supervisión de las diferentes líneas de producción. Todos los productos SHAD son sometidos a multitud de pruebas para asegurar el cumplimiento de los estándares más rigurosos. Resistencia comprobada en bancos de prueba y en ruta, como por ejemplo el test de vibración, única máquina en Europa para pruebas de vibración, que comprueba la resistencia de la maleta montada sobre la moto, a través de simulación real en diferentes terrenos.

El alto nivel tecnológico adquirido en el desarrollo y fabricación de sus productos ha permitido que NADSL cuente con las certificaciones de calidad más prestigiosas, entre las cuales está la normativa ISO 9002 de garantía en calidad.

LE DÉPARTEMENT DE QUALITÉ occupe une place très importante sur le control et supervision des différentes lignes de production. Tous les produits SHAD sont mis sur plusieurs tests pour assurer le compliment des standards plus rigoureux. Résistance vérifiée sur des bancs d'essais et en route, comme par exemple la machine de vibration, unique machine en Europe pour faire des tests de vibration, qui réalise et vérifie la résistance du top case monté sur la moto, à travers de simulation réelle sur différents terrains.

Le haute niveau technologique acquis dans le développement et fabrication de ses produits ont permis que NADSL ait les certificats de qualité plus prestigieux, entre lesquelles il y a la normative ISO 9002 à la garantie de qualité.

DESIGN & TECHNOLOGY

DISEÑO Y TECNOLOGÍA / DESSIN ET TECHNOLOGIE

NADSL is equipped with an important technical department responsible for design and development of OEM products as well as SHAD motor cases. In this way, we are prepared to provide our clients with an integral service, which includes the actual coming up with an idea and design all the way through to the manufacturing stage. The technical office works to meet fresh challenges facing us and approaches each new project as an opportunity for ongoing development and improvement of the products we design and manufacture. In order to achieve this, the company employs state of the art technical and design features and ideas, the latest technology, combined with a profound knowledge of the market and ample experience in the field.

NADSL cuenta con un extenso departamento técnico que se encarga del diseño y desarrollo tanto de los productos destinados a primer equipo como de maletas SHAD. De esta manera, ofrecemos a nuestros clientes un servicio integral, que implica desde el diseño hasta la puesta en marcha de la fabricación del producto. La oficina técnica afronta cada nuevo proyecto como una evolución y mejora constantes de los productos que diseñamos y fabricamos. Por eso, usa nuevos conceptos técnicos y estéticos, las últimas tecnologías, combinados con un profundo conocimiento del mercado y una larga experiencia.

NADSL dispose d'un important département technique qui se charge du design et développement tant de produits OEM comme des valises SHAD. De cette manière, nous pouvons proposer à nos clients un service intégral, allant de la conception à la mise en route de la fabrication du produit. Notre bureau technique vit chaque nouveau projet comme une occasion d'évoluer et d'améliorer sans cesse les produits que nous dessinons et fabriquons. À cette fin nous utilisons de nouveaux concepts techniques et esthétiques, les technologies les plus récentes, notre profonde connaissance du marché et notre longue expérience
